## Welcome

Debra Hatchett,  
Art Walk Director

Please join us as we celebrate the **7th Annual Highland Park Art Walk**, and decorate the City of Highland Park with artwork throughout the month of June 2012. The purpose of the Art Walk is to promote local businesses, while helping to foster the careers of Illinois artists; and to honor individuals who have contributed and dedicated themselves to the arts community in Highland Park. The Art Walk is made possible through the support of sponsors, individual donors, merchants and volunteers who donate funding, resources, goods and services to help make this a special event. We appreciate your support and ask that you support these Highland Park businesses. I look forward to seeing you at our Meet the Artists Day followed by our Reception/Award Ceremony on Sat. June 16, 2012 at Blue Rose Gift Gallery as we continue to celebrate the work of Illinois' talented artists.
