Dear Debra,

Evanston loves the arts. The Evanston Art Walk is a welcome and valued part of our thriving arts community. It joins the Ethnic Arts Festival, the Lakeshore Arts Festival, the Starlight Concerts and Shakespeare at the Ecology Center to name a few of the events that are eagerly anticipated each year. The promotion, development and accessibility of the arts for all Evanston residents creates a community that is vibrant and exciting. The Evanston Art Walk does precisely that. The Walk makes Evanston a better place to live, work and visit.

A juried exhibition of artwork by Illinois artists displayed in over 40 shop windows and businesses along Central Street in Evanston throughout the month of October makes Central Street the place to be. I am looking forward to it and so are a large number of Evanston art lovers.

Sincerely,

Elizabeth B. Tisdahl
