

HIGHLAND PARK ART WALK

Anatomically Correct is proud to present the 6TH Annual Highland Park Art Walk, a juried exhibition of artwork by Illinois artists.

Our Art Walks help foster the careers of artists by giving them the opportunity to market themselves in a viewer friendly environment; and serves to honor individuals who have contributed and dedicated themselves to the arts community.

Art displayed in shop windows and on our website during previous Art Walks has been viewed by over 50,000 visitors. Many artists have sold their work and several made lasting relationships with galleries and collectors. The events are covered by major news publications and online media sources.

Anatomically Correct has presented the Annual Highland Park Art Walk since 2006; the Evanston Art Walk in 2008 & 2009; and the Southport Art Walk in Chicago in 2010.

Since 1991, Anatomically Correct has presented over 200 exhibitions in numerous performing arts venues in and around the Chicago area and has collaborated with Gilda's Club Chicago, the National Vietnam Veterans Art Museum, Help Hospitalized Veterans, the Women for Women Foundation, and Autism Speaks.

The Highland Park Art Walk is funded in part by the Cultural Arts Commission of Highland Park, the Highland Park CBD Alliance, the Illinois Arts Council, a State Agency, the City of Chicago Department of Cultural Affairs City Arts Program I grant, and through partnerships with local businesses and corporations. Contributions are tax-deductible.

Special thanks to The Art Center of Highland Park for their support!

We thank you for your interest in participating in this Art Walk and invite you to join us in celebrating the work of Illinois' artists!
