Chicago, IL - In complement to the Tony Award winning Broadway musical *Million Dollar Quartet*, Chicago artists have created artwork featuring the 4 central characters in the musical (Elvis, Johnny Cash, Carl Perkins and Jerry Lee Lewis). Also included in the exhibition are hand-signed lithographs created by the late Howard Finster. This exhibition explores the symbiotic relationship between artists and musicians. The exhibition is currently on display at the Apollo Theater, 2540 N. Lincoln Ave. and runs thru Sept. 4, 2011.
